

Will your transformation program succeed?

Find out with this simple Decision Tree. You'll discover a clear path to program success, shaped by 25+ years' experience in accelerating transformation program execution.

How it works

Start at the top, and work your way down. If you reach a dead-end, resolve the issues in the previous step. Then resume your progress on the path to program success.

For support with any of the steps, visit <http://mentoreurope.com> and explore the resources (particularly the **Mentor Blueprint** and **Mentor's eBooks**).

Or better still, **get in touch**.
